Subject: EPA SWPPP template

Hi Bruce,

As promised yesterday on the call below is the link to the EPA SWPPP template.

<http://water.epa.gov/polwaste/npdes/stormwater/Stormwater-Pollution-Prevention-Plans-for-Construction-Activities.cfm#template>

You are not required to use this template when developing your SWPPP; however, it is a helpful tool if you decide to use it. Please ensure that the SWPPP meets all the requirements of the EPA permit. See SWPPP permit requirements below.

http://water.epa.gov/polwaste/npdes/stormwater/upload/cgp2012_finalpermit.pdf
See Section 7 for SWPPP requirements.

Please let me know if you have any questions.

Thanks,

Emilio Llamozas
